ZERO TO MASTERY

WEB DEVELOPMENT

Zero To Mastery is an online coding academy and community of developers from around the world who come to learn to code efficiently, level up their skills, get hired and advance their careers.

EXPERIENCE

Veterinary Surgeon

Medivet 06/2018 - 01/2020 London

Medivet is a pet-care business comprised of a community of vets, nurses and other related professionals operating a hub-and-spoke model of 18 main centres and over 300 first opinion practices.

- Experience working under pressure as sole duty vet. Treated up to 30+ patients per day. Contributed to financial growth and productivity of the clinic.
- Excellent communicator and a team player.
- Ability to understand problems and formulate appropriate solutions.
- Communicated the condition of patients to pet owners in a clear and concise way.
- Created detailed recovery plans for patients.
- Performed laboratory and surgical procedures, including spay/neuters, dental radiography and extractions, administering vaccinations and various diagnostic tests.

Internship

Lviv Vet University student exchange. 07/2016 Lviv, Ukraine

- Learning excel spreadsheets interpretation and performing financial analysis and drafting reports on the production.
- Learning farm finances and operations management.
- Taking feedback from senior vets and constantly working on improving my skills through personal development programme.

Internship

Horse and cattle ranch in Janow Podlaski. 07/2013

Janow Podlaski, Poland

- Planned, scheduled and monitored activities related to organic farming.
- Preparing horses for competitions.
